

The School Buzz

Director's Note

Dear ISC-Amman community,

It is with great pleasure and enthusiasm that I welcome you to another exciting edition of our school newsletter. As we reflect on the past months' achievements and look forward to the upcoming events and initiatives, it is evident that our community continues to thrive and evolve.

Our students have once again demonstrated exceptional talent, creativity, and dedication across various endeavors, from academic achievements to extracurricular pursuits. Their accomplishments serve as a testament to the hard work and commitment of our educators, staff, and parents, who tirelessly support and guide them on their educational journey.

As we navigate the challenges and opportunities that lie ahead, it is essential to celebrate our successes, no matter how big or small, and to recognize the collective effort that drives our school's continued growth and success. I encourage you to immerse yourself in the vibrant tapestry of articles featured in this newsletter. Each entry provides a unique perspective on the enriching experiences and achievements that define our school community.

Thank you for your continued support and involvement in our school community. Together, we will continue to inspire excellence, foster innovation, and empower the leaders of tomorrow.

Warm regards,

Eyad Safa
Acting School Director

News & Updates

Students Excel at HTUMUN

ISC-Amman's Model United Nations (MUN) Club showcased exceptional talent and diplomacy at Al Hussein Technical University Model United Nations (HTUMUN). Despite competing against university-level delegates, our High School students not only held their own but emerged triumphant, garnering prestigious awards and accolades.

During the conference, our students demonstrated exemplary diplomacy, engaging in spirited debates, drafting resolutions, and forging alliances with fellow delegates. Their commitment to constructive dialogue and innovative problem-solving captured the attention of judges and peers alike.

The results spoke volumes about the caliber of ISC-Amman's MUN Club. From securing Best Delegate awards to earning Runner-Up recognitions and Honorable Mentions, our students left an indelible mark on the HTUMUN stage, showcasing their intellectual prowess and leadership potential.

Their achievements not only reflect the dedication of our MUN Club members but also underscore the supportive environment and mentorship provided by ISC-Amman. As they continue to hone their skills and expand their horizons, our delegates remain shining examples of excellence and diplomacy in action.

KG Students Explore Healthy Eating

A vibrant morning unfolded as our KG students embarked on an exciting journey into the realm of healthy eating, filled with smiles and nutritious delights! We were privileged to welcome one of our parents, Coach Nour Darwazi as our esteemed guest speaker, whose expertise as a dedicated fitness and nutritionist coach, and proud parent, illuminated our event.

Coach Nour's passion for well-being radiated as she captivated our young learners with valuable insights into the significance of making nutritious choices. Through engaging anecdotes and interactive discussions, she empowered our students to embrace healthy eating habits and foster a positive relationship with food.

From the colorful array of fruits and vegetables to the importance of balanced meals, Coach Nour's guidance resonated with our eager young minds, sparking curiosity and enthusiasm for nutritious living.

Senior Jacket Ceremony

In an emotional celebration of unity and achievement, the Class of 2024 gathered for the highly anticipated Senior Jacket Ceremony, a cherished tradition that symbolizes the transition into the final year of High School. Against a backdrop of excitement and nostalgia, students embraced the significance of this milestone moment.

ISC-Amman MUN Jr. Conference 2024

Our school proudly hosted the ISC-Amman MUN Jr. Conference 2024, welcoming budding diplomats from our Middle School to engage in two days of dynamic debates and insightful discussions. With the theme “Reviving Global Justice,” the conference aimed to instill a sense of global responsibility and foster diplomatic skills among our young delegates.

Amidst an atmosphere of enthusiasm and camaraderie, delegates delved into pressing global issues, ranging from United Nations reforms to human rights issues, with passion and conviction. Guided by experienced MUN prefects, they honed their negotiation, public speaking, and critical thinking skills, gaining invaluable insights into the complexities of international relations.

Throughout the conference, delegates demonstrated remarkable poise and diplomacy, articulating their perspectives and collaborating to draft resolutions that addressed the root causes of global injustices.

With hearts full of inspiration and determination, our young diplomats stand ready to make a positive impact on the world, armed with the skills and conviction to advocate for a more just and equitable future.

Student Achievements

Queen Rania Outstanding UK Learner Awards

ISC-Amman proudly celebrated the outstanding achievements of its students at the prestigious Queen Rania Outstanding UK Learner Awards. This year, our students have once again distinguished themselves as leaders in academic excellence, with several receiving top honors in various subjects, and accumulating the highest number of awards in Jordan.

The awards received by our students are a testament to the dedication, hard work, and exceptional talent demonstrated by our students in their pursuit of academic excellence. From mastering complex mathematical concepts to excelling in the sciences and languages, our students have showcased their intellectual prowess and commitment to learning.

These accolades, including Top in Jordan for Mathematics, Biology, Chemistry, and Business, as well as High Achievement in Economics and Spanish, recognize the achievements of students who have excelled in Cambridge International Examinations. Such achievements showcase their ability to excel in rigorous academic programs and challenging assessments.

ISC-Amman congratulates all of our award recipients for their outstanding accomplishments and extends its appreciation to our dedicated faculty and staff for their unwavering support and guidance. These achievements not only reflect the individual success of our students but also underscore ISC-Amman's commitment to nurturing future leaders and scholars who will make a positive impact on the world.

ISC-Amman's 7th High Achievers Awards

Year after year, The International School of Choueifat – Amman proudly celebrates the remarkable achievements of our students at the High Achievers Awards Ceremony. This prestigious event serves as a testament to the exceptional quality of education provided by the renowned SABIS® Educational System, with many of our students consistently excelling both nationally and internationally.

Behind every achievement lies a story of dedication, perseverance, and hard work. The success of our students reflects the unwavering support and guidance provided by our educators and parents, as well as the relentless efforts and determination demonstrated by the students themselves. Our students continuously strive for greatness, investing countless hours into their studies and pursuits. Their commitment to excellence not only inspires their peers but also sets a standard of achievement that is second to none.

As we gather to honor the high achievers of ISC-Amman, we celebrate more than just academic success. We celebrate the values of perseverance, resilience, and determination that have propelled our students to new heights of excellence.

Congratulations to all our high achievers! Your accomplishments are a source of pride for the entire ISC-Amman community, and we look forward to witnessing your continued success and contributions to the world.

SLO Stories

Prefects Shine at SLTC 2023

Three dedicated SLO prefects embarked on a transformative journey to Cairo for the Student Life Training Conference (SLTC), representing our school amidst a global gathering of prefects from SABIS® Network schools around the world. The conference served as a platform for sharing insights, honing leadership skills, and fostering cross-cultural connections.

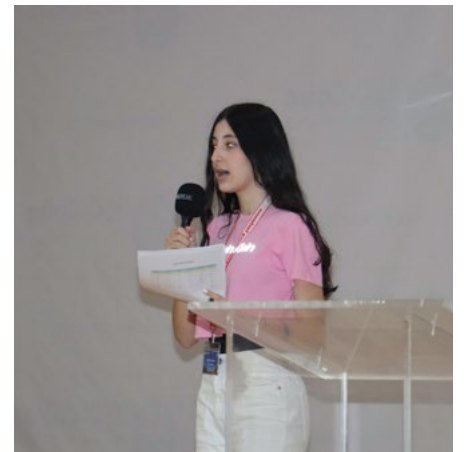

In Cairo, our prefects immersed themselves in a vibrant tapestry of experiences, delving into workshops, seminars, and interactive sessions designed to ignite their potential. From team-building exercises to strategic planning workshops, they embraced every opportunity to grow as leaders and collaborators.

Beyond the conference halls, Cairo's rich heritage provided a captivating backdrop, offering our prefects glimpses into Egypt's storied past and dynamic present. Exploring iconic landmarks such as the Pyramids of Giza and the bustling streets of Khan El Khalili, they absorbed the essence of Egyptian culture and hospitality.

Their time in Cairo wasn't just about professional development; it was a journey of self-discovery and friendship. Bonding with fellow prefects from diverse backgrounds, they forged friendships that transcended borders and enriched their perspectives.

As they returned home, our SLO prefects carried with them a wealth of knowledge, inspiration, and memories that will shape their leadership journey for years to come.

Celebrating World Teachers' Day

In a heartfelt tribute to our educators, the Student Life Organization (SLO) prefects orchestrated a remarkable celebration for World Teachers' Day. Their dedication and creativity shone as they meticulously crafted over 130 personalized gifts, each a testament to the profound impact of our teachers.

From handwritten notes expressing gratitude to carefully curated tokens of appreciation, every gift was a heartfelt gesture acknowledging the unwavering commitment and passion of our teachers. As teachers were presented with their tokens of appreciation, the joy and gratitude were palpable. The heartfelt gestures served as a reminder of the profound influence educators have on shaping the lives of their students.

The celebration was a testament to the strong sense of camaraderie and mutual respect within our school community. It exemplified the spirit of collaboration and appreciation that defines the relationship between students and teachers at our institution.

Pinktober Awareness Bazaar

In a heartfelt initiative to support those affected by breast cancer, the Student Life Organization (SLO) Prefects organized a Pinktober Awareness Bazaar, spreading hope and raising funds for a noble cause.

The annual bazaar was more than just a fundraiser; it was a testament to the power of community and empathy. Prefects adorned tables with delectable treats and merchandise from the King Hussein Cancer Center, inviting students and staff to contribute to the cause. Each purchase symbolized a step toward supporting cancer patients and their families, offering a ray of light in their darkest moments.

The generosity of our school community knew no bounds as donations poured in, reflecting a collective commitment to making a difference. Through their efforts, the SLO prefects not only raised vital funds but also sparked conversations and raised awareness about breast cancer and the importance of early detection.

SLO Peer Tutoring Program

We at ISC-Amman understand that every student's educational journey is unique, which is why we're proud that our Student Life Organization offers personalized support through our dedicated Peer Tutors.

Whether students need assistance catching up on missed lessons or are seeking extra guidance to excel in their studies, our Peer Tutors are here to help every step of the way. With a commitment to excellence and a passion for sharing knowledge, our tutors provide individualized support tailored to each student's needs.

The program offers a collaborative learning environment where students can feel supported and empowered to achieve their academic goals. From clarifying concepts to practicing problem-solving skills, our Peer Tutors foster a culture of academic excellence and mutual support.

Little Senses Play Day

Little Senses Play Day was an eagerly anticipated event open to children aged 2 to 7 years old, offering a delightful day of sensory exploration and motor skill development.

Young participants embarked on an exciting journey filled with interactive games, hands-on activities, and engaging experiences provided by the best in Amman. From stimulating sensory stations to thrilling obstacle courses, children had the opportunity to engage their senses, unleash their creativity, and develop essential motor skills in a safe and supportive environment.

Throughout the day, laughter and excitement filled the air as children immersed themselves in a world of discovery and play. Guided by experienced facilitators, teachers, and SLO prefects, they explored new textures, honed their balance and coordination, and unleashed their imagination through creative play.

Parents were delighted to watch their little ones' faces light up with joy and wonder as they embraced each new experience with enthusiasm and curiosity.

Poetry Evenings for Grades 2-12

Attendees were swept away by the magic of words at our annual Poetry Evenings, where students in grades 2 to 12 showcased their creativity and talent through the power of poetry.

From heartfelt verses to captivating performances, Poetry Evenings provided a platform for students to express themselves, share their unique perspectives, and explore the beauty of language in all its forms.

Whimsical rhyming couplets and emotional free verses alike filled the air, each poem reflecting the student's emotions and experiences. Through poetry, students learned to communicate effectively, cultivate empathy, and develop a deeper appreciation for the world around them.

The evening was enchanting, with inspiring performances, thought-provoking readings, and heartfelt expressions of creativity. From budding poets to seasoned wordsmiths, our Poetry Evenings celebrated the diverse voices and talents within our school community.

Seven Mountains 2024 Campaign

ISC-Amman embarked on a momentous journey as it launched the Seven Mountains 2024 campaign in collaboration with the King Hussein Cancer Center (KHCC), represented by its director, Ms. Nisreen Qatamesh. Students representing this year's team gathered for a significant milestone: Signing the agreement that officially marks the beginning of this year's campaign.

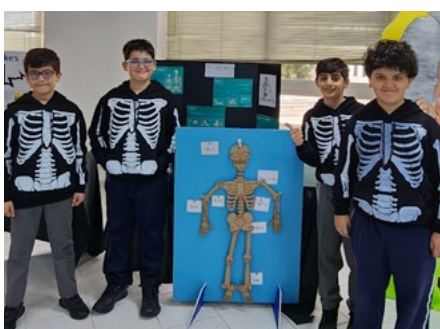

The Seven Mountains 2024 campaign represents a significant initiative aimed at making a positive impact on the lives of those affected by cancer. Through fundraising activities, awareness campaigns, and community outreach, ISC-Amman is dedicated to supporting the vital work carried out by KHCC in providing treatment for cancer children who cannot afford the cost of their treatment.

As students put pen to paper, they embraced their role as ambassadors of hope and compassion. Their dedication to the cause serves as a testament to the values of empathy and social responsibility instilled by ISC-Amman.

Science Fair 2024

ISC-Amman transformed into a hub of innovation and discovery as students showcased their scientific prowess at the highly anticipated annual Science Fair 2024. From groundbreaking experiments to ingenious inventions, the fair provided a platform for students to explore the wonders of science and share their findings with the community.

Enthusiastic participants from different grades presented a diverse array of projects spanning various scientific disciplines, including biology, chemistry, physics, and environmental science. Each exhibit was a testament to the creativity, curiosity, and hard work of the young scientists behind them. Visitors were treated to an immersive experience, engaging in hands-on demonstrations, interactive exhibits, and insightful presentations.

Alumnus in the Spotlight

In this edition of "Alumnus in the Spotlight," we proudly feature Hatem Al Absi, an exceptional graduate from the Class of 2018 whose academic achievements and contributions continue to inspire.

During his time at ISC-Amman, Hatem distinguished himself as one of the top students in physics and mathematics, showcasing a remarkable aptitude for challenging subjects. His strong academic foundation enabled him to tackle rigorous examinations such as Further Mathematics with confidence, resulting in outstanding results.

Beyond his academic pursuits, Hatem was an active member of the Student Life Organization, demonstrating leadership and commitment to enhancing the student experience.

Following his graduation, Hatem pursued his passion for engineering, earning a Bachelor's Degree in Mechanical Engineering from Queen Mary, University of London. Undeterred by challenges, he continued his academic journey, obtaining a Master's Degree from Imperial College London, a testament to his dedication and perseverance.

Hatem's journey in the field of engineering has been nothing short of impressive. From his work with Formula 2 to his current role as an engineer at Jaguar Land Rover in the UK, he has excelled in pushing the boundaries of innovation and excellence.

As we celebrate Hatem's accomplishments, we reflect on the values instilled in him during his time at ISC-Amman: a commitment to academic excellence, a passion for learning, and a drive to make a difference in the world.

Hatem Al Absi serves as a shining example of the impact our alumni continue to make, embodying the spirit of success and leadership that defines our school community.
